

Buckden Pike

Distance	4 Miles
Duration	1 hour, 30 minutes
Features	Peak
OS Map	OL30
Area	North Yorkshire

Walk Guide

1. From the car park head to the left following the path as it bears right.
2. After this take the second path on the right
3. Follow this up to Buckden Pike, ignoring any paths that come off of it
4. After the peak take the path that heads to the right and follow this down.
5. Be aware for this next section as it happens quickly. Take the first right coming off this path, near Buckden Beck and then immediately turn left onto another path.
6. At the end of this path head right, then left back into the car park.
