Walk Guide

1. From the car park head under the underpass (it's at the bottom of the car park)
2. Head to the right and follow the path along
3. Keep to this path, always staying on the left most path
4. Once you've crossed pass the far end of the lake and gone left again you can take a few different routes depending on what you feel like, as you can see on the map there are lots of options
