Walk Guide

1. Take the path up the side of the Old School Bunkhouse – this path will take you all the way to the peak. At one point the path will fork, with one path going left, stay on the rightmost path.
2. Once you've reached the peak you're looking to take the path to the right which will lead you back down.
3. This path also forks, stay on the rightmost path again and follow it down, where you will merge back on to the path you started on and head back into Harddraw
