

Weeton Station to Almscliffe Crag to North Rigton to Pannel

Distance	4.5 Miles
Duration	1 hour, 30 minutes
Features	Crags
OS Map	Explorer 297
Area	North Yorkshire

Walk Guide

Note: This walk is not circular, and is intended for people going for a walk via a train ride – if you want to get back to where you started you will need to retrace your footsteps.

1. From Weeton Station head up Strait Lane and take the footpath that heads off to the right.
2. Not far along this footpath head to the left and cross Crag Lane to continue on this path
3. Follow this path to the left then head left along Crag Lane
4. Take the footpath off Crag Lane up to the right and onto Almscliffe Crag
5. After investigating the crag, head in a westerly direction (there's only one path heading west)
6. Follow this path back on to Crag Lane brief, then take the next footpath to the left into North Rigton
7. This path comes out on Rigton hill, take the path on the opposite side of the road to the right

8. Take this path straight on, following it as it breaks to the left slightly, ignoring any major breaks from the footpath – continue straight on and don't take paths to the left or right
9. This path will lead you straight into Pannal, where you can get to the station on the right.
